

## Usability Questionnaire

1. How was your experience when finding your way around the app?

My friend introduced. :)

2. How was your experience when you had to add friends and create/join game?

Arkadaş eklemedim, oyun oluşturmak ise çok kolaydı.

3. How was it compared to other similar apps you have used?

Arayüzü diğer oyunlara göre daha kullanışlıydı,

4. How easy was it to figure out the correct sequence of actions to take you to the next task?

Çeşitli kolaydı, oyun içi yönlendirmeler çok faydalı oldu.

5. How was it compared to other similar apps you have used?

6. What was the most difficult and easiest tasks?

7. How do you think the visuals (animations, etc.) affect the game?

8. Have you played UNO before?

Evet.

9. Did you require any tutorial contents to learn how to play the game?

Tutoriale ihtiyacım yoktu, daha önce benzer oyunlar oynamıştım.

10. How comfortable did you feel while playing the game?

~~Hayır~~ 4 kart getmediğim sürece çok comfortable'dım.

11. How helpful were the information provided in the game?

Çok faydalı oldu. Özellikle oyun içinde.

12. How did you enjoy your interaction with the app?

How were you satisfied with your interaction with the app?

Çeşitli eğlenceliydi. Oyun süresince dış dünyaya bakmam bile.

13. Were there any events or activities that were unclear to you in the app?

Çok fazla popup kapatmak zorunda kaldım.

14. Is there anything you would rather have differently?

Anything you would like to add that the questions did not cover?
